## Education

### Digital Marketing, Udemy

April, 2023

Duration of the course 22+ Hours

### Web Development Bootcamp, Udemy

March, 2024

Duration of the course 62+ Hours

## Experience

### Freelancer

2022-

Engaged in project collaborations and freelance assignments via Upwork, direct email outreach, and GitHub. Successfully delivered six comprehensive projects alongside various smaller gigs within the designated timeframe.

Few projects that I have completed:

- Developed three dynamic online portfolio showcasing the client's work, skills, and achievements in a visually appealing and interactive manner.
- A website showcasing the photographer's work, including galleries organized by theme, location, or genre.
- Crafted a captivating landing page for a cutting-edge marketing service, catalyzing a remarkable surge in traffic by an impressive 36%.
- Created an immersive 3D website, elevating user engagement through dynamic visuals and intuitive navigation, built with React, Mapbox, Three.js, EmailJS, and Styled Components.

### Doers (Humanitarian Organization)

Shimla, Himachal Pradesh

2021 - 2022

Volunteered as a data manager and graphic designer, undertaking responsibilities such as meticulous file organization, crafting compelling presentations, and designing visually striking graphical assets.

- Attended DOIT BETTER bootcamp
- Kobo toolbox
- Graphic designing tool Corel draw, Photoshop
